## Life After Death

## Spring in Europe

It is always our pleasure to go to Europe, visit family, and share our gifts. This year we are excited to announce that we have been invited to be the featured guest musicians at the World Conference of Shamanism in Munich, Germany. During our time in Germany, we will also be giving two lectures and we will be visiting Venice to celebrate Raphaels birthday in the footsteps of Vivaldi.

## Bhutan Eco Retreat

Are you ready for a beyond extraordinary adventure? If Bhutan has been on your list to explore then now is your calling. I will be offering two magical Bhutan spiritual adventures this year. Find out which journey is best tailored to your needs... Or maybe both are in your future?

Summer also brings our 25 year anniversary, stay tuned for all this excitement this day is sure to bring.
